WHO WE ARE

Chilkat Valley Preschool is an Alaska State Certified early childhood education facility dedicated to the fullest development of the whole child.

We have 40 years of experience providing a high-quality, pre-kindergarten program that benefits not only the individual child but the school district and the community. We welcome pre-primary school-aged children of all races, creeds, ethnic origins, and economic backgrounds.

WHAT WE DO

The preschool learning experience seeks to strengthen children and their ties with their families, community, and other children. Our program offers a range of educational opportunities: music, movement, art, science, math, literacy, writing skills, outdoor time, cooperative games — and of course play.

WHERE WE ARE GOING

Chilkat Valley Preschool is raising funds to move our program into a new facility. We are well on our way to reaching our initial goal of \$200,000. Then, we will be positioned to use those donations to leverage large grants to help complete our new facility. We are excited that our program will have a modern facility to continue serving the young families and communities of Haines and Klukwan.

YOU CAN HELP

YOU can donate today and make a difference for years to come. Haines artist Kerry Cohen is creating our ceramic tile *Giving Tree Mural* to recognize project donors. The mural will be placed at the entrance of the new Chilkat Valley Preschool building. **Please make your contribution** today!
